Kitchens

What do you see in the following kitchens, what do they have in common?

poliform.it/en/kitchen/

boffi.com/en/
molteni.it/en/

arclinea.com/en/

Kitchens

Poliform

Boffi

Arclinea

MB9

Molteni&C

MB9

These are leading branded Italian designer kitchens from

Poliform / Boffi / Arclinea / Molteni&C

The modern kitchen designs symbolizing Minimalist, Sleeky, Timeless, Luxurious, Functional, Elegant, Innovative, Ergonomic, Exclusive, Sculptural, Sophisticated, Versatile, Artistic, Harmonious and so on.

And also one of the biggest commonality, they are all very costly and pricy!

Same Design & Quality

Did you notice the 2 MB9 kitchens among others?

Yes, MB9 kitchens have the same design inspirations as the world's leading brands

Fully Customizable

In addition to the modular designs of the other brands MB9 kitchens are fully customizable.

Low Cost & Quick Delivery

Manufactured in Foshan factory leveraging the mass production scale of China means a much lower cost and a quicker delivery.

MB9 Kitchens

Client benefits: world class products and services for a much lower cost.
